

Insulin Access at CPCO

*The Charitable Pharmacy of Central Ohio requires a NET household income (after taxes and insurance premiums) at or below 200% FPL to qualify as a patient. Gross income (before taxes and insurance premiums) at or below 200% FPL is only required for these additional programs.

We will fill syringes or pen needles, alcohol swabs, and testing supplies (meter, test strips, and lancets) at no cost for all pharmacy patients on diabetic medication. No prescription is required.

Inhaler Access at CPCO

Insured

Can bill for inhalers covered by patient's insurance. May put up to \$20 per Rx per month on account if patient is unable to pay full co-pay at time of dispensing

If co-pay is unaffordable and the patient has Medicare Part D, we will screen them for eligibility for Medicare Extra Help and assist them in applying if applicable.

If co-pay is entirely unaffordable, see options for everyone.

Everyone

CPCO currently has a steady supply of **Albuterol HFA**, **Wixela 100/50**, **Futicasone-Salmeterol 55/14** and **113/14**, **Arcapta Neohaler** (through 8/21) and **Seebri Breezhaler** (through 10/21).

We can also consistently supply a **nebulizer*** and **albuterol**, **ipratropium**, and **ipratropium/albuterol** solution to all patients.

We will also fill donated inhalers as able (supply is highly variable and not reliable).

*must write a prescription for the device.

Uninsured

US Resident with required documentation

Not a US Resident or lacking documentation

Recommend prescriber enroll patient in a Medication Assistance Program to receive inhalers free from manufacturer
